THE NATIONAL INDEPENDENT VENUE ASSOCIATION ANNOUNCES FIRST-EVER *"THE LIVE LIST"*

NIVA's *The Live List* Elevates Rising, Must-See Artists That Have Launched Their Careers through Independent Venues Across the U.S.

The Live List Launch Event Presented By TIDAL Takes Place in Austin, During SXSW, March 16

March 1, 2023 - <u>The National Independent Venue Association</u> (NIVA) has partnered with <u>The Black List</u> to produce *The Live List*, the definitive list of independent entertainment industry insiders' favorite live performers. NIVA aggregated anonymous votes from more than 1,000 NIVA members – consisting of independent music and comedy venues, festivals, and promoters, to discover the most exciting up-and-coming and established artists over the past year. The 2023 Live List highlights over 300 artists, with 35 featured artists including Automatic, Danielle Ponder, Sierra Ferrell, Genesis Owusu, BenDeLaCreme, and Bartees Strange.

A year-long celebration of *Live List* artists will kick off at an unofficial SXSW event, **NIVA's The Live List Day Party presented by <u>TIDAL</u> will take place at Parish, in Austin's Sixth Street Entertainment District, from 11:00 a.m. to 6 p.m. CT. RSVPs may be submitted <u>HERE.</u>**

The day party will feature performances from *Live List* artists, including **Shamarr Allen & The Underdawgs**, **Bartees Strange**, **The Heavy Heavy**, **Cheekface**, **Gabe Lee**, **Oh He Dead**, **Mary Santora**, and **Lowertown**, thanks to the generosity of TIDAL, who are

paying all of the talent's performance fees and continue to prioritize economic empowerment of emerging artists, through <u>TIDAL RISING</u>.

To help attendees prepare for **NIVA's The Live List Day Party presented by <u>TIDAL</u>, TIDAL has curated an official playlist of** *The Live List's* **featured artists that can be streamed <u>HERE</u>.**

The Live List is a new survey curated by popular vote of NIVA members identifying must-see musicians, comedians, live podcasts, performing artists, and other acts on the rise. *The Live List* utilizes the expertise of live entertainment professionals who dedicate their lives to live shows and building artists' careers. Through the NIVA and The Black List's partnership, *The Live List* serves as a catalyst for artists to build sustainable careers and as a definitive source for fans to discover acts.

"I feel really lucky to be recognized for performing," said **Bartees Strange**. "I think about it a lot and we work hard to put on a great show. I love playing shows, it's one of the greatest gifts I can ever have and share. Thanks to NIVA, and all of the venues and promoters behind the scenes of our shows."

"The Black List exists to identify and celebrate incredible creative work and its makers and provide them with the visibility that their talent demands," said **Franklin Leonard**, **The Black List Founder**. "We're incredibly excited to partner with NIVA to do exactly that in music and live performance. NIVA President Dayna Frank and I were assistants together in the early days of our careers, so this is a particularly fulfilling full circle moment for me personally. Here's to more live shows together in 2023!"

The Black List is an online platform that connects writers in film, television, and theater with industry professionals in those industries via its annual list of most liked unproduced screenplays, online writing database, writers labs, and corporate and non-profit partnerships.

"NIVA members book, promote, and attend countless shows a year," said **Jordan Anderson, Troubadour Talent Booker and The Live List Task Force Co-chair**. "We see acts who really have the ability to go the distance and, with that, we believe The Live List is a way for us to continue to help develop and foster these artists as they move forward in their careers."

"We are very excited to launch this initiative," said **Jake Diamond, Marketing Director** of Union Stage Presents and The Live List Task Force Co-chair. "The artists included on the list were handpicked by the folks who see hundreds of shows a year, so the authenticity is real. We hope both NIVA members and fans are excited to dive in and check out the acts they aren't familiar with, and ultimately see them live. The Live List has endless possibilities when it comes to helping promote these acts!"

Bandsintown, already a proud NIVA supporter, is donating \$175,000 in marketing to the more than 300 artists selected and the promoters who book them. Each artist will receive a congratulatory \$250 voucher to promote a show, album release, or merch drop to Bandsintown's 75 million-strong fan community. NIVA members will also be incentivized to book a Live List artist with a \$250 voucher.
